

♥ *NHS Birthday Celebration* ★ *& Protest*

Our fantastic NHS was founded 72 years ago on 5th July 1948 to be a publicly owned service free to all in need, but even during the pandemic, cuts and privatisation and charges are increasing and the future of Ealing as a full Hospital is threatened.

Join us on Saturday 4th July

12.30pm - 1.30pm Outside Ealing Hospital, Southall, UB1 3HW
Social Distance please, masks recommended

We Love our NHS - Hands Off Ealing Hospital!

WE NEED OUR SERVICES BACK

Emergency Surgery, Intensive Care, Trauma & Orthopaedics, Children's A&E and Maternity have been cut or removed from Ealing. We want our services back and to address high BAME deaths and all community needs.

Ealing needs a full blue light A&E for all, young and old. Plus we need the NHS to be non-profit making and free – so scrap the racist migrant charges, the immigration health surcharge and stop reporting patients to the Home Office.
